Tech Inspection

Cars to be inspected must arrive at Tech inspection area under their own power. **Cars will be inspected at the track Saturday morning between 8:00am and 11:00am at the E/T shack only!** Any driver and car that runs any faster than 9.99 will fall into NHRA and IHRA rules for that time (Competition License for that time and Certified Chassis). A number will be put on the window off all cars passing tech inspection that are entered to race. Cars not passing inspection will be prohibited from racing until the defect is corrected and the car returned to tech for inspection. **Tech Inspections will end at 11:00am!!!**

ALL CLASSES – DIAL YOUR OWN

We will use ten lanes for time trials and eliminations. **When called to eliminations, proceed to the staging lanes as designated below, make sure you get in the right lane for your dial-in – NO LANE JUMPING!**

Track personnel will put your dial in E/T on your driver's side window for you. Also, the lane that you are in will be in a circle in the center of your windshield. During eliminations, if you win, return to the same staging lane. If you lose, return to your pit area.

FE Shoot-Out will be run in two lanes: 0-12:49 in Lane 1 and 12:50 and Up in Lane 2 for cash prizes. The first 2 rounds will be run with Powder Pull Eliminations. First round losers will be able to buy back into the FE Shoot-Out for \$10.00. After the 2nd round of FE Shoot-Out the losers can line up with the Trophy classes to race for Trophies.

Powder Puff Eliminations will run with the FE Shoot-Out. There will be two classes, both winner and runner-up in each. **Classes are 0 – 13.99 in Lane 4, and 14:00 and Slower in Lane 5.**
